WHO

In Philadelphia, when it comes to cold-cut based sandwiches, there aren't any "submarines." A "hero" is best described as someone who puts their life on the line for the safety of others. A "zeppelin" is something that occasionally floats over a big sporting event.

The truth is, to real Philadelphians, it's long been known as a hoagie. According to popular belief, the hoagie originated in Philadelphia many years ago. It has been produced in many varieties and styles, and has long been one of the most popular food items in the Delaware Valley. Although you can find hoagies being made on just about every other street corner in South Philadelphia, we at PrimoHoagies have kicked it up a notch.

WHAT

At PrimoHoagies, giving back to the community is just as important as satisfying our customers. That is why our Fun-Raising Program has been developed. PrimoHoagies would like to partner with your non-profit organization in your fund raising efforts. PrimoHoagies will donate 10% of a specific night's sales to your organization.

EASY AS 1...2...3

- 1) Complete the form on the back of this brochure and discuss the date and time with your local PrimoHoagies store manager.
- 2) Promote the event to your organization and the community. The more traffic into the store; the more sales; the more donated to your organization.
- 3) Show up the night of your event; enjoy PrimoHoagies and earn for your organization.

In order to make the event successful, it is important that your organization gets the message out. Create and distribute flyers, put a notice in the local newspaper, send out emails, hold a raffle the night of the event. Anything to draw people into the store will only help to get more for your organization.

PrimoHoagies looks forward to partnering with you.
